Dear Beloved Friends,
We send you heartfelt greetings and
gratefulness from all our voluntary
workers in Rwanda and in Holland.

My wife Marjan and I Peter have moved to Rwanda to live and work in Rwanda as voluntary missionaries fulltime since last year.

We started supporting the Rwanda missions since the late 90's part-time from Enkhuizen in the Netherlands.

We are now happy to be able to serve here fulltime.

In the photo above you can see the graduation of the Tailoring school.

You can also see us on the left and in blue is my sister Mary whom does a lot for the foundation and 2nd from the right is Pastor Faustin whom also does very much.

At the moment we still have many graduates from past years who still need us to help them for them to be able to start working. To you our dear sponsors we are calling on you again to help them with a sewing machine to help them start to be able to work. A sewing machine costs; 100 Euro

The Goats Project is going very well.

Some years ago the widows have received a couple of goats each thanks to your help and now they can breed more goats and multiply and live from it. We do need a good second hand pickup truck for about \$. 4000.

StreetBoys Project,

We are restarting the project for the street boys in our area. There are now many and they are becoming a problem because they get involved in illegal activities. We started talking with them, and hope to find a way to be able to help them to become responsible citizens who can organize their own lives.

The School Children project is going well for the 3 children. Thanks to their sponsors they are happy and they are greeting you.

Our MotorTaxiBikes project is running well. We would like to help 5 more young men to be able to support themselves and their families with 5 five more motorbikes. This will cost about 11'000,= Euro.

At the beginning of this year 2 young men have received their motorbikes and are now working and earning their own income. We want to thank Stichting Jong very much for making this possible.

We are happy that the renovation of our house is finally finished and we just moved in together. It is located right beside the Tailoring school. You can support our ministry and livelihood by sending your gift marked "Rwanda Mission"

1 Corinthians 13:13 And now abides Faith, Hope, Charity, these three; but the greatest of these is Charity.

Friendly greetings and thank you very much for your support, God bless you
