Dear Beloved Friends,

We send you heartfelt greetings and gratefulness from all our voluntary workers in Rwanda and in Holland for the support to the people in Rwanda.

I have moved to Rwanda to live and work in Rwanda as a voluntary missionary fulltime since 2022. We started supporting the Rwanda missions since the late 90's part-time from the city of Enkhuizen in the Netherlands. I am now happy to be able to serve fulltime in Rwanda.

In the photo above you can see part of the 30 children we are helping; for them to be able to go to school in our; **School Project**. Thanks to your great support we can buy shoes, clothes and school materials for them.

This project costs 8000 Euro per year.

In the picture on the right is Mrs Faustin who visits young single moms and coordinates help for them and their child. We now have 8 young single moms to help with their children. Donate to our **Single Moms Project**.

At the moment we have 20 graduates: from past years whom are still waiting for us to help them start working. From our heart: to you, our dear sponsors we are offering you this opportunity to help them with a sewing machine; to help them start and to be able to work and almost never need any help from us anymore. They will be so grateful. One sewing machine costs; 100 Euro. For the **Tailoring School Project**.

Me: in the red shirt with white jacket.

Our men in the **MotorTaxiBikes Project** are happy that you have helped them start their career. We would like to help 5 more young men to be able to support themselves and their families with 5 five more motorbikes. This will cost about 11.000,= Euro.

In the photo above are the same men again without their helmets. Years ago they were in the first groups of the school children project which we helped to be able to go to primary school. And now they have their own families which they can support on their own thanks to your help. !! Sooo Gratefull !!

The Goats in the **Goats Project** are reproducing fast and well. Some years ago some widows have received a couple of goats thanks to your help in our Goats Project and now they can breed more goats and multiply and live from it. We do need a good secondhand pickup truck for about 4000 euro to be able to transport the goats and do other errands and to be able to help more people. Thank you so much

Please support our ministry and livelihood in general by sending your gift marked "**Rwanda Mission**"

1 Corinthians 13:13 And now abides Faith, Hope, Charity, these three; but the greatest of these is Charity.

Friendly greetings and thank you very much for your support, God bless you
