Dear Beloved Friends,
We send you heartfelt greetings and gratefulness from all our voluntary workers in Rwanda and Holland.

From February to August I (Peter) was in Rwanda this year. The picture above shows the mother with her 8 children. With the help of friends we can support two children of this family to go to school now. I visited them and I was touched by the story of the mother. It is quite a job to take care of 8 children. We have decided to support the oldest whom has finished school. She wants to learn how to sew so we provided her with a sewing machine and material. This made her happy and emotional at the same time because she now has a future again. Would you also like to help?

In Rwanda I had enough time before and after the Corona lockdown to meet all contacts and visit all projects. I only went for 3 months, but then of course I couldn't go back. It is also the first time that I have been in my native country for so long, as I grew up as a refugee in the neighboring countries of Uganda and Kenya for most of my life. When I moved to the Netherlands, I finally had a country that I could call my home. Thanks to the Dutch government.

The students of the Sewing School Team have made a video themselves to ask you for help. See: www.GeloofHoopEnLiefdeRwanda.nl
They want to buy 15 modern sewing machines and they cost a total of 1000 euro each. Send your gift through "Sewing Machines".

In the photo I am with the young men from the Motor Taxi project. They were also badly affected by the lockdown because they were not allowed to work. Their families had no other source of income. Sometimes they got food from the government but also borrowed a lot of money that they have to pay back now that they can work again. But it is very difficult for them to pay that back. Can you help them pay back what they borrowed?

We now have 6 new Young Men who would like to be sponsored with 6 motor taxis for 1550, = each which is 9500, = in total. It will make a great difference in their lives under our care to help them. Thank you for all your efforts to help these men.

The children in our children's project are very grateful to you and thank their sponsors. They are very happy with your help that they can go to school and have clothes and shoes. They appreciate you. When I visited all the children, I was deeply touched by one family, one of which is sponsored by my friends Joran and Manja. (photo at the top)

The group of sponsors through Ilse who has promised to support a group of 11 children until 2020 have now stopped. We would like to thank them on behalf of the children for 9 years of help. But these children cannot work yet. Can you help to help these children?

1 Corinthians 13:13 And now abides Faith, Hope, Charity, these three; but the greatest of these is Charity.

Friendly greetings and thank you very much for your support, God bless you
